WARM FIGS WITH PROSCIUTTO AND BLUE CHEESE

WHAT WOULD WINTER BE WITHOUT THIS STARTER WHICH CONTAINS ALL THE WINTER GLOW SPICES OF WARM FRUIT WITH CRISPY PROSCIUTTO AND MELTED BLUE CHEESE!

PREPERATION TIME:
15 minutes

STARTER:
4 persons

INGREDIENTS:

- 4 ripe but firm figs
- 75 gr. Italian blue cheese, (gorgonzola or dolcetta) sliced into small pieces
- 8 thin slices of prosciutto
- 2 tbsp. extra virgin olive oil
- 2 tbsp. balsamic cream (available from delicatessens)
- 20 gr. slivered almonds
- salt & freshly ground black peper

INSTRUCTIONS:

Preheat the oven to 350°F/180°C/ Gas4.

Using a sharp knife, cut a cross into the top of each fig, then gently squeeze the bottom of each fig in order to open the fruit.

Divide the blue cheese among the figs, stuffing the pieces into the top of them.

Carefully wrap two slices of the ham around the middle of each fig, leaving the tops uncovered.

Place the prepared figs onto a baking tray and cook for 8-10 minutes, or until the cheese has melted and the ham is nice and crispy.

Meanwhile, roast the almonds in a dry frying pan until golden brown.

To serve;

Place the warm figs gently on a serving tray and drizzle with olive oil and balsamic cream. For the finishing touch, sprinkle the almonds over the figs and season with ground salt and black pepper.
