

ONSHUS | AUTUMN - WINTER 2018

ENCHANTING SHADES

Naturellen vormen bij ONSHUS de vaste basis. Voor dit najaar gaan we een stapje verder; mooie luxe warme wintertinten voor extra pit en glamour in het interieur. Denk aan inkt blauw, laurier groen, aubergine, vijg en espresso. Elegante kleuren die zowel basic als stijlvol kunnen zijn.

Terug te vinden in de zachte stoffen van onze nieuwe kussenlijn PADDED, toegepast op het matte keramiek van onze kandelaartjes KAARS. En in de kleurrijke kaarsen MALA en LYS, die de ruimte sfeervol verlichten.

Luxe op tafel met de prachtige dekschalen SERVE en het stijlvolle glaswerk LINJE.

Geïnspireerd door mode, architectuur en natuur, zoeken Yardena en Peggy samen voortdurend naar nieuwe elementen om de collectie van ONSHUS uit te breiden.

Sinds 2010 is ons doel elegantie, eenvoud en spanning in uw interieur te brengen.

Ontwerpen is onze passie!

De producten van ONSHUS worden uitsluitend geproduceerd in Nederland en Europa.

ENJOY THE SEASON – ENRICH YOUR HOME / ONSHUS

Timeless natural colours are the permanent basis for ONSHUS. This autumn we go a little further; beautiful luxurious warm winter shades for some extra spice and glamour in our interior.

Think of ink blue, laurel green, eggplant, fig and espresso. Elegant colours that can be both basic and stylish.

You will find them in the soft fabrics of our new PADDED cushion line, applied to the matt ceramics of our KAARS candlesticks. And in the colourful candles MALA and LYS, which will lit up the room very pleasantly.

Luxury on the table with the beautiful tureen SERVE and the stylish glassware LINJE.

Inspired by fashion, architecture and nature, together Yardena and Peggy are constantly searching for new elements to expand the ONSHUS collection. Since 2010, our goal is to bring a combination of elegance, simplicity and excitement into your home. Designing is our passion!

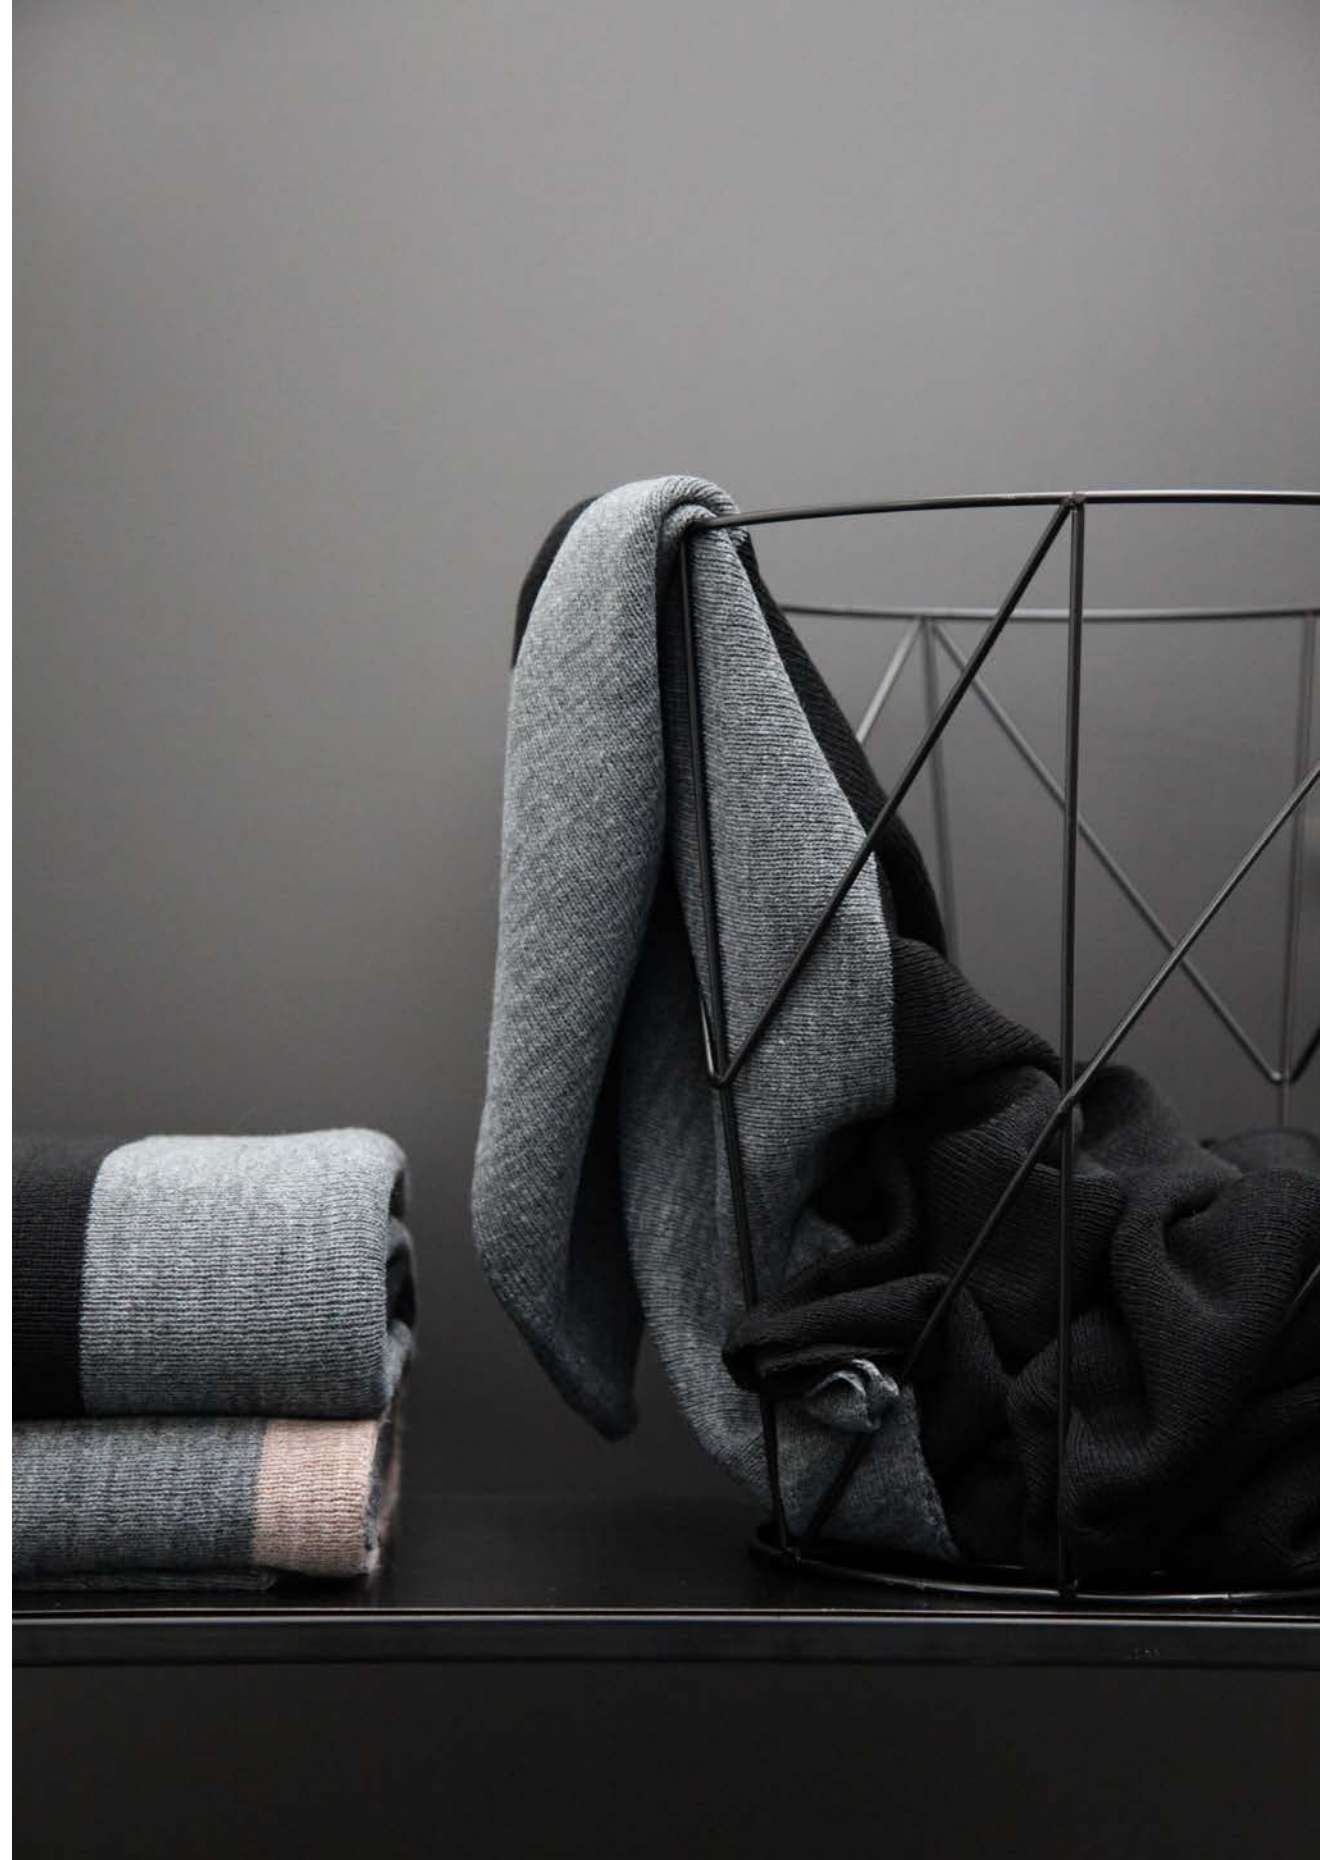

The ONSHUS collection is manufactured only in the Netherlands and Europe.
