

ONSHUS | AUTUMN - WINTER 2020

CALMNESS

We do not know what winter 2020 will bring...
There are a lot of uncertainties these days.

We do know that we love to relax, feel happy and comfortable at home.
We want to live simple and connect with nature in a state of calmness:
This is the right atmosphere for us to be creative and playful!

We believe in providing comfortable, functional and desirable products.

We love GLASS; handmade, clean lines and intense colours.
Smoke-brown is the new black, winter warmth in fig-bordeaux.

New CERAMIC vases; the ONSHUS winter collection is supplemented with a large stylistic
new vase - LINA - in timeless white and matt-graphite.
A must-have in your interior!

Get ready for CHRISTMAS; we want to enrich our interior and create a beautiful
Christmas atmosphere where details make the difference.
Think of our small wings, new small candleholders and CROCO waxine/vases!

We invite you to visit ONSHUS!

You can easily order online in our B2B-shop, create an account and
place your order now!

For the ultimate living inspiration and ideas, we welcome you to visit our showroom in
Nieuwegein.

Since 2010 ONSHUS designs lifestyle products inspired by Scandinavian simplicity.
We are constantly searching for new elements to expand our collection.
The things we value the most define what we do.
