

ONSHUS | SPRING - SUMMER 2021

## RECOVER FOR SUMMER

This summer, ONSHUS is inspired by the force of burgeoning nature, by sunlight shining through the trees, and by a new, fresh view on spring. Do things your way!

Nature's natural beauty continues to surprise us, urging us to add subtle nuances to our normal way of life.

Due to the Corona measures, we are more housebound than ever. Happily, we aren't sitting idle, and are creative in living our daily lives.

Looking around us, we see what is really important, and what we really love.

ONSHUS brings tranquility to our homes by focusing on beautiful and unique, as well as practical, accessories.

Fill our playful, round vases with cheerful sprigs and blooms! Decorate your table by lighting new candles on summer nights, and your couch with brightly coloured pillows and soft plaids!

Bring on summer!

You can easily order online in our B2B-shop, create an account and place your order now!

For the ultimate living inspiration and ideas, we welcome you to visit our showroom in Nieuwegein.

Since 2010 ONSHUS designs lifestyle products inspired by Scandinavian simplicity. We are constantly searching for new elements to expand our collection. The things we value the most define what we do.
